4	20-03-2024	117978	<p>Compliant against Geo TV for biased portrayal in TV drama namely Khaye, Respected Sir, I hope this message finds you well. I would like to bring to your attention, with due respect, concerns regarding the drama series ""Khai,"" which has been broadcast on Geo News. This production has been deemed highly stereotypical, conflicting, controversial, and prejudicial. Regrettably, it has subjected millions of Pashtuns to profiling and an inaccurate portrayal of pashtunas as violent. The serial appears to rely heavily on clichés, trite remarks, taboos, platitudes, and banalities, which collectively contribute to a narrative that lacks nuance and may perpetuate harmful stereotypes. As advocates for pluralism, we firmly believe in respecting and celebrating the rich tapestry of regional, cultural, linguistic, political, economic, and diverse differences, including those of color and creed. In light of these concerns, we kindly request, with utmost respect, that PEMRA (Pakistan Electronic Media Regulatory Authority) delves deeper into the matter. We believe that a thorough examination is essential to address the potential impact and implications of such content on society. Esteemed Regards,</p>	Geo Ent.	E Mail	Under Process
5	26-03-2024	117980	<p>"Complaint regarding Unethical scene of comedy show Mazaq Raat run by Dunya News Channel. Dear Sir, The comedy Show Mazaq Raat run on Dunya News Channel is well-known for its humorous content and presentation. In a recent show aired on 7th March, 2024, Aun Ali included in the host team as a singer made a very surprising gesture when he dedicated somewhat vulgar poetry to the guest actress and model, Saheefa Jabbar. But she gave a shut-up call there and then by saying that being a married woman she did not like such poetry. The question is that why did this happen and who did allow a singer of the host team to out-step his domain.</p> <p>2. PEMRA is requested to please look into the above-stated complaint and take all such measures as are necessary to ensure that the Dunya News Channel does not make such unethical scenes a part of its subject show, under intimation to the Complainant.
