3	117895	Complaint Against Unethical Use of Sindhi Flags in Hum TV Drama "Zulm", Dear PEMRA, I hope this message finds you well. I am writing to express my deep concern and disappointment regarding the upcoming drama "Zulm" on Hum TV, which allegedly involves the unethical use of flags associated with nationalist political parties in Sindh. The use of these flags in a disrespectful and biased manner is not only a breach of ethical standards but also promotes a negative and divisive image, especially considering the potential political implications. This act appears to be a form of biased propoganda against Sindhis, which is highly regrettable. I urge PEMRA to investigate this matter promptly and take appropriate action to either stop the show or ensure the respectful removal of the flags associated with nationalist political parties in Sindh. Such actions undermine the cultural and political sensitivities of the region and contribute to social discord. Thank you for your attention to this matter. I trust that you will address this issue swiftly to maintain the integrity of media content and foster a more inclusive and respectful environment. Sincerely,	HUM TV

7	117898	Complaint - Advertisement Dear Sir/Madam, During the cricket World Cup transmission, an advertisement for Express washing powder which uses very inappropriate language in the cartoon saying "ye daagh kya tumhara baap saaf kare ga". This is being run on 10 Sports transmission. How can such an advert be allowed to run on national television where young people take influence from on a daily basis. Using such language and normalising it is really sad to see. We should be educating our kids to the highest standards. I would like you to review this and get back to me with your feedback please.
