4	117867	<p>BAN BBC AND CNN,</p> <p>Hello,</p> <p>Hope you're doing well. Few days back , I made a call on Nayatel helpline and shared my concerns. They referred you as according to them you are the concerned department . Keeping in mind the ongoing situation in Gaza (Palestine). I request you to ban BBC and CNN since they are spewing venom against Muslims particularly Gazans. I don't have any political affiliation with any political party or NGO ,but as a true believer and a God-fearing person , I feel we should do whatever could be done to at least condemn Israeli atrocities. I would like to stay updated and being aware of what is happening globally but not through channels that will further hurt my sentiments and feelings towards Palestinians. Kindly don't ask me to get box to get more channels since I am okay with the number of channels being provided by Nayatel cable . I would appreciate if you replace BBC and CNN with Al -Jazeera and RT . A little gesture of empathy can make a huge difference . You can become voice of many and let the world know that we are with the Palestinians. It might cost you a little but you will be rewarded big time in the Hereafter. You otherwise can ban any channel anytime but this is a high time for all the Muslims around the world to stand up and speak against the heinous war crime being inflicted upon the innocent Gazans.</p> <p>Hoping to hear from you soon,</p> <p>Have a blessed day !</p>	CNN
