12	111851	I m watching talk show hosted by Dr Fiza Khan time 10p.m. - 11.p.m. Today , she has three spoke persons from Italy, Britian and USA. A host must conduct with the original spirit of journalism as well as under controlled measures set by Pemra, I think. Mr. Nasir Khan from USA was sharing what he saw and felt there. During conversation, Dr.Fiza khan asked him: Why Trum didn't not took precautionary measures in time to stop corona like international flights r still departing and arriving in USA. She asked him that TRUMP IS STUPID? That's not the way journalism allow them and where is the code of conduct? She is not capable of hosting such talk shows bec think she will bring tus on the stage where our P.M. will have to say sorry for. Kindly take necessary steps to stop such coward people hosting talk shows. Thanks.	Bol News

45	111895	I want to share with you a very important aspect of a particular news channel "GEO NEWS" as I regularly watch the news on this channel. Today 13-04-2020 @ 1640-1642 HRs I observed their advertisement regarding reading newspaper that it doesn't affect the people with coronavirus (that wash the hands with soap after reading the newspaper) but I think it's a serious violation of gov rules as in current scenario it can also be a source of spreading coronavirus as even people are avoiding to use paper currency. Please review it and guide them over it as such misguidance can lead to spreading the virus. . Nil	Geo News

99	111936	With due respect i just want to know why you are not putting a ban on two media journalists @HamidMirPAK & @MalickViews on the show they have conducted on Hum News on 24th April 2020 where they have planned a show against a well renowned islamic scholar maulana tariq jameel through which their is an ample chance of riots in the name of islam for which these two media journalists would be responsible. Is the freedom of speech the right of media persons only not for the common people like us or islamic scholars? 103	111940	I hope you are doing great, with all due respect as a responsible citizen of Pakistan I want to draw your kind attention to the following incident which took place between our religious scholar MAULANA TARIQ JAMEEL and Hamid Mir, The geo tv anchor not only disrespected MAULANA SAHAB but also pressurized him to seek an apology from all media person/anchors which hurt the sentiments of general public. I personally want to lodge my complaint against HAMID MIR AND MALICK because these guys have defamed a religious scholar just because he was trying to give his opinion about media on national television.
