9	113100	Slander against basic cultural values, morality and good manners, hoping that you will be fine and doing well, As a citizen of Pakistan I would like to register my protest/complain against a drama serial "Jalan" being on air on ARY news. Respectfully it is to state, that story line and plot of this Serial is clearly against our traditional, educational and religious norms. As far as I know there is no religion in the world allow a relation between sister in law (Sali) and brother in law (Behnoi). Most of our population prefer Pakistani dramas over Indian serials, thus it should be our utter responsibility to keep in view our religious, traditional, educational, ethical, and cultural norms. I request PEMRA to stop this serial on immediate basis. As PEMRA has won our hearts by allowing and helping to on air Birrliant peice of art 'Ertughral', which is being liked everywhere in the country. We expect the kind authority to carry on the legacy by stopping "Jalan" from being on Air., Nil	ARY Digital

15	112874	I have seen BOL TV's program "Ramzan me BOL". It's a program based upon sensitive sectarian discussion, which is spreading hatred and religious violence. Sunni and Shia's sectarian differences are being raised which make competitive atmosphere for viewers. It's creating uneven hatred situation in the society which may cause any mishap. It's against the principles if Islam to make each other hateable. Plz immediately take action and get such programs banned. 0553200829 , Nil	Bol News
16	112930	Worldwide expansion of media channels became a major source of information , entertainment, accountability & evolution but it seems in Pakistan the outcome is quite negative. For targeted accountability, plantation of stooges and launching hat full campaigns against democrates and pro democracy institutions looks the prime & primary function of most of TV channels. Today I was watching news at 11 am on BOL channel and one of the news was " Media Firoon , Qadyaniat ka mohafiz bun Gaya " Pic of Mir Shakeel behind the bar was flashing & I was constrained to listen hateful propaganda of news caster, I find it a reaction of XACT Degree scam for which Jang n Geo highlighted the issue very much. For such sub standard role of BOL , i felt that PEMRA is sleeping or quite ineffective rather functioning mysteriously which is definitely damaging the Justice , Democracy , National Harmony, Moral & religious Values in the Country. Please take immediate action and cancel the license of BOL. Beside said baseless Propaganda, BOL is established on illegal gotten money and yet looting innocent people through illegal schemes like BOL CARD etc. Uniform policies & monitoring in accordance to Islam and law of the land be ensured. (Note.. I m believer of Khatm e Nabuwat , strongly supports democracy n Rule of Law and usually viewer of Express & Dunya News) Hoping an earliest action against BOL.	Bol News

I recently witnessed about abusive and "Gair Ikhlaiq" content broadcasting around 3:40pm on Fri, 19 Jun 2020. There was a tiktok in which word "Pan Yeki" is used. And this is not the first time. 24	112871	RRPORT OF DUNIYA NEWS CHANNEL: REPORT TO PEMRA ABOUT THE RULES THAT DUNIYA NEWS CHANNEL HAS BEEN VIOLENTLY BREAK DURING RAMZAN TRASNMISSION Transmission name: Rooh-e-Ramzan Date: 8th May, 2020 In this transmission the host has propaganda to make the mosque, a hospital in the free time. He gave example of Hazrat Muhammad (S.A.W) era that they use mosques for medical treatment purpose and for education purposes but in my opinion that was the time where there were no more resources to build hospitals and schools at different places. But in this era everything has been developed and mosques have schools for Islamic education(madrassa) to teach Islamic education not to make it a local place where everything is allowed to say and to do as far as today there are schools for children for temporal knowledge(duniavi ilm). The host also emphasizes to remove fraternity (Firqa) but he himself calls four priests (Alim-e- Deen) of four different schools of thoughts with different opinions to argue. In my opinion these propaganda need to be warned strictly by PEMRA. , email	Dunya TV News

47	113116	<p>To Whom It May Concern,</p> <p>If i start to list the number of issues with the quality of content on Pakistani TV that is being aired, the email wont end. I sometimes feel ashamed as a citizen of this country with the kind of entertainment sold in this country.</p> <p>Every other day we are hearing about children dying and getting injured making Tik Tok videos. One boy just got injured shooting a gun another died in a car accident only within the last few days..But at the same time Bol Tv runs a tv show called "Tik Tik Show with Faheem Khan giving more reasons for people to try to become 2 min celebrities.</p> <p>When will our TV content promote love, respect, honour, gratitude, unity faith disciplines. It is incorrect to say that the public only demands low quality content. The power of Media is so effective to educate people but its sad to have an organization like PEMRA allowing the WORST contents of Western and Indian TVs to be copied and run on Pakistani TV networks.</p> <p>Thanks to the PM for promoting Ertugrul and glad to see PTV also will be showing Yunus Emre, two Turkish TV shows that should tell the Media Houses and men sitting behind desks in PEMRA that Pakistan audience wants quality</p> <p>Stop this tik tok shows and many others before we see more deaths or push the youth of our nation further down the drain.</p> <p>Regards</p> <p>-- Ahmad Moeenuddin Barrister-at-Law</p> <p>Sent with ProtonMail Secure Email.</p> <p>, email</p>	Urdu 1

I logged a complaint against gnn news channel under the complaint number SD290719-3822229 and .SD300819-4399886....in PEMRA. for broadcasting FAKE BREAKING NEWS against myself regarding dual jobs at the same time and taking dual benefits since 2014. By news reporter KHALID MEHMOOD RANA on 07 th july 2019 again and again through out the day.</p> <p>Respected Sir,</p> <p>I resigned from the former job within probation period without taking any salary or any other benefit. Channel showed my confidential documents my photograph my passport number my cell phone number my address again and again through out the day as breaking news. Not only this but also uploaded my video footage on u tube, face book and other social media and forced the authorities to investigate that Im STILL DOING TWO JOBS in 2019.</p> <p>Respected sir,</p> <p>Honorable chairman pemra put my case into coc khi on urgent basis. CoC khi called me after the waiting of a year on 18 may 2020.They heard me and channel separately. Coc khi was fully in the favour of channel at the time of hearing. The members were either new or inexperienced or may b tired they couldnt foccus on the allegations by channel.They seemed to be less interested and out of foccus.. My agenda was on number 12 the last number. I felt they were tired in the fasting mode of Ramadan. Could not able to listen me properly even. I tried my best and provide CoC khi every single proof in written from RESIGNATION of mine to NO DUES certificate. But CoC was not in the mood of reading the material even.</p> <p>Respected Sir,</p> <p>On 19th june 2020 coc khi sent me a statement of decision Unfortunately the decision seems to be in the favour of channel. CoC agreed in their decision that channel has not followed rules of journalism and a note of advice may b given to the channel. But NO ANY APOLOGY WAS DONE BY CHANNEL. NOT EVEN FOOTAGE WAS REMOVED FROM U TUBE AND FACE BOOK. NO ANY PENALTY WAS IMPOSED ON CHANNEL. NO ANY COMPENSATION WAS GIVEN TO ME.</p>	WB
