12	116846	<p>Imran Khan's objectionable tv content</p> <p>Complaint against violation of PEMRA Ordinance 2002 and PEMRA rules 2009. Respected Personnel Incharge, This is to bring to your notice that we, citizens of Pakistan were highly chagrined and disturbed watching ARY News around 8:20 pm On 20 th may 2022 where the speech of the former Prime Minister Imran Khan was being broadcasted. Although he abuses legal and security institutions in all his speeches, today he crossed the line of all morality and respect for women. He made self-serving, male chauvinistic and misogynist remarks about a fellow politician by the name of Maryam Nawaz. Many news channels were broadcasting the speech live whereas the content of his speech was a clear cut violation of Section 20 clause (b) & (c) of PEMRA Ordinance 2002, and Section 1 clause (b), (c), (e), (i), (l), (m), Section 2 and Section 3 of Code of Conduct for media broadcasters or cable TV operators provided in PEMRA rules 2009. We feel that the media is giving 100% coverage to a man who speaks under dupe and is carrying out a personal egoistic agenda and has no national interest in his mind or actions. It is humbly requested that prompt action may be taken against the channel whose anchors are known to promote Imran's vulgar speeches against the army and judiciary. Also kindly take necessary action to make sure such material is not aired on news channels in future as it is in utter dissent of aforesaid laws and is equivalent to destroying the social and moral fiber of the country.</p>	ARY News

Turkish series Kurulus Usman is being aired on GEO and GEO Kahani, no doubt the drama is good and well made but it has many hug scenes specially between character usman and his wife Bala. I request you to please order Geo kahani to cut the hug scenes. I will be thankful for your cooperation.</p> <p>Thank You</p>	Geo Kahani

25	116855	<p>complains about a kid show,</p> <p>Respected Sir,</p> <p>It is stated with due respect that I. Ayesha Mansoor a medical student currently studying at SZABMU, wanted to bring a TV show to your consideration that might not be completely landing on the Pakistani media standards. Over the years PEMRA has always kept the media in accordance with the Islamic moral and social standards that kept Pakistan secure from all sorts of explicit material. This peculiar show is MIRACULOUS LADYBUG (official website https://www.miraculousladybug.com/en/) being aired on kid zone.pk I have a 7 years old younger brother along with many cousins in the 5-9 years of age range. Since I also enjoy animated tv serials so I often watch cartoons with them. All of them are hopelessly obsessed with this show which I guess is not wrong but as I watched the show I noticed they were promoting the westernized concept of relationship I dare not say between 14-year-old children. I have listed below various other reasons why this show is not in accordance with Islamic standards:</p> <ol style="list-style-type: none"> 1. the target audience might be stated to be 6-12 years old but this range is not for Muslim children. As western shows have a wide range of visual immoral antics that might go well with their society but Pakistan is not that sort of country. 2. as stated in the previous point that this show is children-friendly according to the western media but there is a contradiction in regard to the target audience. even the western world contradicts this show to be children friendly here are a few screenshots I took from Quora which are given at the end of this application 3. PEMRA banned anime also known as Japanese cartoons from being aired on the tv screen like doremon. this show is affiliated with Japanese animation companies along with the fact that it was originally a manga (Japanese comic).it was supposed to have an anime art style but this was later canceled the storyline is still in accordance with that of a romcom or shoujo anime. on being a Japanese original, this show, according to the PEMRA rule of the ban on anime, should also be banned. I have also attached Wikipedia info about its animation companies. 4. as mentioned prior this show fantasizes about romantic relations which even my younger brother understands and he is still 7. this series might affect our next generation with a drastic long-lasting effect on their brains. I know a 13-year-old boy who is a huge fan of this show. I talked to him on Facebook, he is a roleplayer and his muse is one of the characters in the series but the most alarming thing was that this child had a girlfriend who was also 13. this is why I fear that this series might be a trigger to young age marriages as in the case of Dua Zahra. 5. the show is Urdu dubbed but still, all the romance is quite clear. the channel also sensors a few scenes but that makes everything even more suspicious 6. this show also promotes LBGTO...as there is a lesbian and a gay couple in the series 	Kid Zone
26	116816	<p>Dear PEMRA,</p> <p>Samaa TV acted against all norms of an Islamic society and moral values by conducting and airing an interview with an abducted minor girl, Dua-e-Zehra, on Wed 6/7/2022. It is a proven fact that the girl is a minor and was lured into an illegal and immoral "marriage"; conducting an interview to give the impression that the whole act was of her own free will is tantamount to promoting child abduction and underage marriage. The act of Samaa TV was undoubtedly inhumane and against the morales of society. This has hurt the parents who have already endured so much pain in the last two months. Therefore, the administration of the said TV channel deserves stern punitive action and crippling sanctions. This will serve as a deterrent for other TV channels if they are contemplating similar stunts. We demand Samaa TV and everyone responsible for allowing this interview to air to apologize to her parents and society.</p>	SAMMA TV

37	116837	ہم پاکستانی ہیں ڈرامے ہمارے روایت و ثقافت کے مطابق ہونے چاہیے۔ محترم جنرل صاحب اسلام و علیکم آپ سے گزارش ہے کہ ذخرا ایگزیکٹو ایجنسی کی طرف سے پیش کردہ ایک خاص پروگرام جس کا مقصد ہماری نوجوان نسل کی ایک خاص ایجنسی کے تحت نئی سازی ہے اس پر جو ڈرامے دکھائے جا رہے ہیں وہ ہرگز ہماری اقدار و روایات سے مماثلت نہیں رکھتے مثلاً ڈرامے سیریل سونیل، تقدیر میں عورت کا انتہائی مکروہ چہرہ پورٹریٹ کیا گیا ہے تقریباً ہر ڈرامے میں سادوں کو جلا اور سازش دکھا رہے ہیں وہ بیوقوف کے گہرے خراب کر رہی ہیں۔ ڈرامے ڈراؤں میں بیوی کے ہونے کے باوجود عورتوں سے مرد جیسے بھی تعلق رکھے دکھایا جا رہا ہے ڈرامے بخاتور کی بہترین کہانی ہونے کے باوجود اس میں ایک سیاسی خاندان کے بگڑے بیٹے نے نوکرائی سے زیادتی کی کوشش یہ سب کیا ہے؟ کیا یہ سب ہمارے معاشرے کو زب دینا ہے؟ ان ڈراموں سے نوجوان بچوں اور بچیوں کو نفسیاتی بنا دیا ہے رشتوں کا احترام ختم کیا جا رہا ہے ایسے تمام ڈراموں پر بین لگایا جائے۔ کیا آپ کا ادارہ اس قدر لاپرواہ ہے کہ ان کے خلاف کوئی ایجنٹ نہیں لگے سکتا...؟ آج ہمارا معاشرتی جس اخلاقی گراؤ کا شکار ہے اس کی وجہ یہ ڈرامے بھی ہیں اور اگر آپ ان کو نہیں روکتے تو آپ بھی اس میں براہ راست حصے دار ہیں اسلام کے نام پر بننے والی ریاست میں ایسی کہانیوں کی کوئی گنجائش نہیں جو غیر اخلاقی ہوں جن میں رشتوں کے تقدس کی دھجیاں اڑانی جاتی ہوں۔ ابھی بھی وقت ہے برائی کی روک تھام میں اپنا حصہ ڈالیں تاکہ اللہ کے دربار میں سرخرو ہو سکیں۔ لینی حنیب سولن گارڈن
