4	116480	Hello,  I am a Pakistani citizen, living in Pakistan, and want to bring one of many instances of spreading of misinformation by anchors of ARY News. On the 30th May episode of the show 'The Reporters', Chaudhary Ghulam Hussain made a huge claim that the current COAS, and he quoted him directly, said that the PML-N govt. back in their previous tenure (2013-2018) siphoned off \$9 billions from the CPEC allocated funds. Here's the youtube clip of the program, and the concerned section starts at the 34:13 mark ( <a href="https://youtu.be/k1zRBu2M5dI?t=2053">https://youtu.be/k1zRBu2M5dI?t=2053</a> ). In today's The News Newspaper, Ansar Abbasi has a news story in which he talked to a source in the Defence Ministry, who quoted Mr. Bajwa calling the Ch. Ghulam Hussain claim as, 'rubbish, totally rubbish'. Link to the news story: <a href="https://www.thenews.com.pk/print/962489-rubbish-totally-rubbish">https://www.thenews.com.pk/print/962489-rubbish-totally-rubbish</a>  We live in an age of misinformation, where people believe WhatsApp forwards as facts, and twitter tweets as absolute truths if said by those they support. It's downright criminal for a news channel to publish such baseless rumours, and present them as facts, associating them with a credible figure like our COAS. Please take legal action against this misinformation, at the very least the show host should apologise to the audience for lying to us. .You are requested to take necessary action against the channel and program's host as per law	ARY News
