31	115119	Hi PEMRA team,\r\n\r\nI would like to formally lodge a complaint against geo tv for airing highly gruesome and ghastly scene in the drama korolus Osman on the airing on 6 May 2021 at around 6:30pm.\r\n\r\nThe scene aired included: \r\n- a man physically cutting another man's ear. Blood and the dismembered ear was shown\r\n- a man gouging another man's eyes. Again, blood was shown\r\n- a man beheading two other men\r\n\r\nNo warning or rating regarding the suitability of the content was displayed. \r\n\r\nRespectfully, while Turkish dramas are highly popular in Pakistan, it still doesn't rationalise\r\n\r\nshowing unsuitable content on national television without appropriate censor / warning\r\n\r\nI hope PEMRA will take appropriate action and we can avoid broadcasting of such unsuitable scenes\r\n\r\nRegards\r\n\r\n,\r\n\r\nemail	Geo News
