29	113499	<p>Hi,</p> <p>It seems like that after so long PEMRA has started to worry about the content being put out. We really appreciate it, however, the authorities must look into Nida Yasir morning host show. It is one thing to invite the parents of the 5year old rape victim to the show, but it is beyond disgusting to ask them details of the incident and what not while on the show when the case hasn't been resolved. She was not creating awareness or lying out facts but merely finding out details. This is not good at any level. It is not sound and rational for her to invite those parents, when case is on national tv highlight concerning the sensitivity of the issue. Yes, she may have invited parents for fairness and justice and bring issue to spotlight, but her way and questions asked were inappropriate!</p> <p>Thanks</p> <p>Sent from my iPhone</p> <p>, email</p>	ARY Digital

35	113505	<p>Dear Sir/Madam</p> <p>I am writing this email to you because I want to complain about the Morning show 'GOOD MORNING PAKISTAN' hosted by NIDA YASIR on ARY Digital. As you know that couple of days ago, Marwah, a five year old girl in Karachi was found dead from a garbage heap. Nida is so insensitive that she invited Marwah's parents on the show and asked them to explain the story from A to Z. She went on further to make the parents revisit the agony, pain and distress as she kept asking to 'tell again and narrate the incident again' for the viewers. Is it that easy to repeat the story again and again?</p> <p>In the past also Nida has a record of inviting such people just to gain cheap popularity. I request you humbly to please have a look at that show and ban her show forever.</p> <p>Best Regards,</p> <p>Iqra Munawar</p>	ARY Digital
36	113506	<p>To whom it may concern,</p> <p>Over the past several years many people have demanded and requested to ban Nida Yasir's show due to creating insensitive content.</p> <p>Recently, on her show the host invited the parents of the child who was raped and killed in Karachi. And repeatedly kept asking very sensitive questions and showed inhumane behaviour and no empathy to the parents who just lost their child.</p> <p>She also invited some other guests on the show who were nicely dressed and didn't seem to care much about the entire case.</p> <p>Nida Yasir's show has time and again provided viewers with irrelevant and sensitive content. The entire team of the show really did cross the line this time! Strict action is required against her show!</p> <p>Thanks,</p> <p>Rameen</p> <p>, email</p>	ARY Digital

39	113509	<p>This email is with regards to a recent show down by Nida Yasir, on the channel ARY. The show entailed a very insensitive narrative all for the sake of some ratings. Nida Yasir called the parents of recently deceased 5 year old girl, Marwah who was ruthlessly killed after being raped. What was the point of calling the parents and asking them to tell in detail all that happened!</p> <p>It is beyond unacceptable to call grieving parents to relive their worst days just so these big corporations can cash off their misery. What was the purpose of this show? To provide a graphic imagery of the vilest crime committed? To agonise the parents further? To make money from sensationalizing a sin? Shame on the host, the program team and the channel for shredding human values to bits and stooping to such a low. I request you to kindly take strong actions against this show and show them the right path. This show has also done a lot of similar issues in the past. They will also keep doing the similar things in the future if you don't take any action. Please save our society. jazaakAllah khairan.	ARY Digital
65	113542	Complaint/Remarks: Nida Yasir recently invited the parents of 5 year old Marwah to her morning show and probed them at length about the gruesome murder of their child. She asked the traumatised parents the tiniest details of how their child was violated, tortured and murdered. The mother sobbed inconsolably while the poor father struggled to describe the indescribable. This host has been known to go to the most bizarre and insensitive lengths to secure good ratings for her show but this time she crossed all limits of professional and human integrity. 204	113688	<p>Asalamalaikum,</p> <p>I'm writing this as a concerned, respectable and tax-paying citizen of Pakistan. For years, we have seen morning talk show hosts make useless fluff content and Nida Yasir has been the biggest perpetrator of them all. She consistently makes tone deaf and insensitive shows and statements, whether that is body shaming or complexion shaming women, gossiping, encouraging disrespectful behavior from a child, showing off her designer shopping to a widely lower middle class audience, not following SOPs during COVID lockdown in March or most recently calling the poor parents of Marwa, the little 5 year old girl who was raped, murdered and burned on her show to talk about details of the event only for TRP ratings. This is abhorrent and I beseech PEMRA to do its job and take action against such unethical broadcasting.</p> <p>Regards, Sanaa Zuberi</p>	ARY Digital
205	113689	<p>Would like to bring your attention to the repeated irresponsible behavior of the host of the above morning show where she often brings traumatized victims and probe in a very incentive way.</p> <p>Recently example when she invited parents of 5 year Marwah. Its was cruel and heartbreaking.</p> <p>Please put some controls on these Morning shows which are not creating any value but putting people down</p> <p>Thanks Salam Akhtar Get Outlook for Android</p>	ARY Digital
206	113690	<p>Dear Pemra Team</p> <p>I like to put in to your knowledge that something is not happening right on the ARY Digital Show. In Which Nida yasir invite the victims of Victim Marwa and asked insensitive questions on television.</p> <p>Link Attached : <a href="https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4">https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4</a></p> <p>Kindly take strict action against the TV Host and TV channel.</p> <p>Regards Farhan Hussain</p>	ARY Digital
207	113691	<p>Dear Authorities,</p> <p>We live in a society of moral and etiquettes. We have seen so much wrong happening around us, sometimes we just wait for the justice if we cant do anything about it. But, no way, do we trigger and harass the person who has went through it.</p> <p>Miss Nida Yasir has bot only harrassed the parents of a murdered child but insensitively asked them details and made them remember things which they probably want to forget.</p> <p>The world doesnot need to know how was she found or was she recognizable for her two mins of entertainment.</p> <p>Please ban this show. It has already ruined life of man</p> <p>Link attached</p> <p><a href="https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4">https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4</a></p> <p>Regard, ROOHA SIDDIQUI Procurement Manager SHELL PAKISTAN</p>	ARY Digital
208	113692	<p>Dear PEMRA Officials,</p> <p>Nida Yasir recently invited the parents of 5-year-old Marwah to her "Good morning pakistan" show by ARY digital and she probed them at length about the gruesome murder of their child.</p> <p>She asked the traumatized parents the sordid details of how their child disappeared and what state she was found in. The mother sobbed in between while the poor father struggled with a narration.</p> <p>This host has been known to go to the most bizarre and insensitive lengths to secure good ratings for her show but this time she crossed all limits of professional and human integrity.</p> <p>What was the purpose of this show? To 'investigate' a serious and sensitive case on an entertainment channel??? Is the host qualified to do an investigation? What was the point of asking "...to shakal kaisi the? ..penchani ja rahi thi?</p> <p>I have attached the link to the video.</p> <p>I as a pakistani citizen urge the PEMRA to take strict action against this show and the host Nida yasir for such inhuman act and as this show is not already any productive for our kids and families.</p> <p>Link to the video: <a href="https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4">https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4</a></p> <p>Yours sincerely, Nade Ali , Larkana, Sindh Pakistan</p>	ARY Digital

217	113701	<p>This is to bring to your attention the despicable conduct of morning show anchors on national television. Nida Yasir has been hosting low quality content on ARY for some time now, with no accountability and no actions taken against her. This time she has crossed all boundaries of morality, humanity, decency and ethics as she tried to sensationalise the horrific murder and rape of Marwa. Just to increase her ratings and trp for her disgusting morning show, she invited the poor parents of the murdered child and kept prodding then to get out details of her death and the ordeal she went through before she succumbed to her tragic death. As you can see from the link, the poor parents were subject to inhuman behaviours by this anchor, till the poor mother finally gave in and broke down, as was the initial intention of Nida Yasir. The incident is itself heartbreaking and soul shattering to every law abiding citizen of Pakistan. One cannot imagine the pain and torture the parents are going through, and then irresponsible behaviour from media adds salt to their injury! Nida Yasir is an abomination and needs to be banned immediately from ever appearing on TV! Looking forward to immediate and prompt reaction from your prestigious institution. 221	113706	<p>To, The authority of PEMRA</p> <p>With due respect, I am hereby writing to you against the morning show that airs on ARY DIGITAL, hosted by Nida Yasir. It is about time you take notice about the content of that show. But, this time around all limits have been crossed. She had the audacity to call upon the parents of Mawrah(a child who was raped and killed previously) She didn't only play with the sentiments of people but neither did she care what the parents must've went through. This is off limits. Even previously, her shows have been out of question. As a citizen of Pakistan, I request you to take notice and ban her or ban the show as whole.</p> <p>Yours truly, Qandeel Zahra</p>	ARY Digital

224	113709	<p>Respected sir/madam,</p> <p>This is in reference to a recent morning show (dated: 09-09-2020) hosted/produced by Nida Yasir on ARY Digital network. In her morning show, she invited the parents of a child who was recently the victim of murder / subsequent rape and had proceeded to "investigate" regarding the entire incident from the traumatised parents. The utter insensitivity on display and the callous behaviour in which she grilled the parents on a matter as sensitive as that was truly shameful and unbecoming of a anchor of a show with a massive audience reach.</p> <p>The parents were being asked to relive the entire incident, their trauma already on display for the entire country, at one point the mother of the murdered/raped child began to sob while the incident was being narrated for Nida Yasir's show. I cannot imagine the pain they must have been subjected to at that time.</p> <p>There needs to be a sensitivity training programmes for all anchors/hosts for handling such a delicate issue. PEMRA ought to take some action regarding this.</p> <p>Regards, Nida.=</p>	ARY Digital

246	113731	Hello, This complaint is against Nida Yasir, morning show host @ ARY TV. In the light of her recent show in which she interviewed the parent's of rape-victim child Marwah, she exploited the greiving parent's and asked them questions which a sane-mind person won't even think rather than asking the parent's who just lost their child in horrific tragedy and all this just for the sake of rating and TRP. As a citizen of Pakistan, this kind of behavior is unacceptable. Immediate action should be taken ARY Digital and it's morning show host Nida Yasir. ARY Digital should be barred to have a morning and Nida Yasir should be banned to host morning show.  Beat Regards, Muhammad Usman Ikram  , email	ARY Digital

281	113768	<p>I'm writing this complaint regarding the "Good Morning Pakistan" show hosted by Mrs. Nida Yasir.</p> <p>Recently, the host invited the very humble and devastated parents of 5 year old Marwah, a rape and murder victim. This show has absolutely no ethical values and continues to get away with unethical topic discussions such like the one mentioned in this email. This has crossed the boundaries of humanity. She has absolutely humiliated the parents and claimed she was doing them a favor for giving them media time. This is not the case.</p> <p>I'm a concerned Pakistani and it highly worries me when my country is allowing insensitive shows and topics to be discussed in the public format. I believe only accredited media channels such as news anchors can talk about such a topic and still maintain level of respect and sensitivity. A morning casual Talk show host like Mrs. Nida Yasir is not accredited to talk on such a topic and also should be ashamed of herself to ask absurd insensitive questions to parents who have lost a child to rape and murder. The Questions she asked included, the conditions how they found their 5 year old daughter or what she was wearing at the time post-incident.</p> <p>I request your agency to look into this show and it's credibility. 292	113787	Respectfully, i have sincere concerns regarding the show "GOOD MORNING PAKISTAN SHOW" aired on ARY DIGITAL having rape victim parents on show , how can such entertainment shows have the authority to invite the victims parents on their show to discuss such sensitive topic and probe the details ? Not just its indecent but inhumane. PROPER ACTION SHOULD BE TAKEN AGAINST THE CHANNEL , THE SHOW AND THE HOST NIDA YASIR , she herself could have said no . They have no right to ask them aur investigate about the matter by calling the parents on their show , who the hell are they even? Already there is so much going on in Pakistan. If there is little Iman and humanity left in us please take strict action against the show and show host NIDA YASIR , and let the parents live their lives.  Thankyou, , emil	ARY Digital

304	113799	<p>Nida Yasir recently invited the parents of 5 year old Marwah to her morning show and probed them at length about the gruesome murder of their child. She asked the traumatised parents sordid details of how their child disappeared and what state she was found in. The mother sobbed in between while the father barely carried on with the narration. The host has been known to go to bizarre and insensitive lengths to secure good ratings for her show but this time she crossed the limits of professional and human integrity. It's a shame that the showbiz industry amd people affiliated with it have stooped so low for their personal benefits. It's high time now that a complaint be lodged against Nida Yasir. The mother sobbed in between while the poor father struggled with a narration.</p> <p>This host has been known to go to the most bizarre and insensitive lengths to secure good ratings for her show but this time she crossed all limits of professional and human integrity.</p> <p>What was the purpose of this show? BAN OR REMOVE NIDA YASIR SHOW Respected sir, With due respect I, MAAZ KHAN as the citizen of Pakistan. It is my responsibility to tell you what is against the rules of our society. A morning show hosted by NIDA YASIR at ARY DIGITAL channel "Good Morning Pakistan - 9th November 2020 - ARY Digital Show" in which she called a parents of Marwa (a girl who is raped, murdered and then burned) and asking them such questions which are totally against our society and I am mentioning those questions below: 1. Aap ko kese pata laga k aapki bachi k sath ziaditi hwi he? 2. Aapne apni bachi ko pehchana kese? The mother of girl was crying and deeply sadden to hear such questions from HOST. Asking her parents that how her girl was raped and how they came to know is simply so disrespectful for a father to answer such questions. NIDA YASIR uploaded a fake apology video in which she totally lied about the case that MARWA father approach her but instead she (Nida Yasir team) approach her for the sake of rating and TRP's and she totally lied about it. She also lied about that due to media pressure police registered FIR but the reality was FIR was already registered at 4th September 2020 the day when girl was missing. Therefore, I request to all authorities to please take action and remove the host NIDA YASIR as the show was pre planned to gain Rating and Sympathy of the public. , email</p>	ARY Digital

347	113851	<p>AOA.</p> <p>Hope you all are well and my email reaches you in a timely matter. First of all I would like to say I really appreciate the work you guys do in banning bad content. I am actually a Pakistani living in the U.S. my entire life. I used to watch a lot of Pakistani content like dramas, morning shows etc. But recently with all the mess going on around Pakistan, such as harassment, abuse, etc. I would like to make a plea of banning Good morning Pakistan on ARY Digital. She has already crossed many barriers but bringing a child who was raped and murdered parents onto a show and asking them such horrific questions seriously boiled my blood. That was utterly and extremely a sickening tactic to increase her views. She herself has her own kids, did she not once think that what if it was them? Oh yes but they're a celebrity, it could "never" happen to them. God Forbid. I would like to appeal this by requesting banning her from television. Even if she apologizes she will go back to her shameful content.</p> <p>JazakAllah Khairun. Laraib Zohra. A fellow Pakistani. , email</p>	ARY Digital

Kindly note that the host of the show i.e Nida Yasir is highly insensitive, irresponsible host. She has crossed all the limits of decency and empathy in her shows many times most recent being the show with parents of Karachi's rape victim. the way she questioned the parents to recall the whole horrendous scenario and play on their emotions just to get ratings for her show is unethical. 359	113865	<p>Dear Sir, Ma'am,</p> <p>I hope this finds you well. I am writing to report the show Good Morning Pakistan hosted by Nida Yasir on ARY digital. This show has consistently degrading and insensitive content. However, an episode that aired last week and was posted on Youtube on September 9th, 2020, featured the interview of rape victim Marwah's parents. The episode has no trigger warnings, the parents are told to recall the entire incident (and that is done), the questions are extremely insensitive and grotesque and the entire episode is featured as if it's a cheap horror film (please check the music, nida yasir's fake crying, the makeup laden host and the gaudy set up). There is no sensitivity or even humanity for such a serious incident.</p> <p>It is important the media highlights injustices and acts as a watchdog. However, this is just cheap tactics to use a grave issue for ratings. As a member of the audience and citizen of Pakistan, I request you to ban this show and (at the very least) strictly reinforce sensitive journalism and media practices by media personalities. If this show were to air again, ARY digital must hire a new host and ensure better practices. PLEASE take swift action on this. 369	113887	<p>Dear Chairman and to whom it may concern,</p> <p>I'm writing this complaint regarding the "Good Morning Pakistan" show hosted by Mrs. Nida Yasir.</p> <p>Recently, the host invited the very humble and devastated parents of 5 year old Marwah, a rape and murder victim. This show has absolutely no ethical values and continues to get away with unethical topic discussions such like the one mentioned in this email. This has crossed the boundaries of humanity. She has absolutely humiliated the parents and claimed she was doing them a favor for giving them media time. This is not the case.</p> <p>I'm a concerned Pakistani and it highly worries me when my country is allowing insensitive shows and topics to be discussed in the public format. I believe only accredited media channels such as news anchors can talk about such a topic and still maintain level of respect and sensitivity. A morning casual Talk show host like Mrs. Nida Yasir is not accredited to talk on such a topic and also should be ashamed of herself to ask absurd insensitive questions to parents who have lost a child to rape and murder. The Questions she asked included, the conditions how they found their 5 year old daughter or what she was wearing at the time post-incident.</p> <p>I request your agency to look into this show and it's credibility. There are several other episodes from this particular mornings show that stand against the Islamic Republic Of Pakistan's values and should be thoroughly investigated.</p> <p>I humbly demand and look forward to how your agency will act. I thank you for your time.</p> <p>Best regards,  Pakiza Chatha  A concerned Pakistani.=  , email</p>	ARY Digital

371	113889	<p>Dear PEMRA Officials,</p> <p>Nida Yasir recently invited the parents of 5-year-old Marwah to her "Good morning pakistan" show by ARY digital and she probed them at length about the gruesome murder of their child.</p> <p>She asked the traumatized parents the sordid details of how their child disappeared and what state she was found in. The mother sobbed in between while the poor father struggled with a narration.</p> <p>This host has been known to go to the most bizarre and insensitive lengths to secure good ratings for her show but this time she crossed all limits of professional and human integrity.</p> <p>What was the purpose of this show? To 'investigate' a serious and sensitive case on an entertainment channel??? Is the host qualified to do an investigation? What was the point of asking ....to shakal kaisi the? ..penchani ja rahi thi?</p> <p>I have attached the link to the video.</p> <p>I as a pakistani citizen urge the PEMRA to take strict action against this show and the host Nida yasir for such inhuman act and as this show is not already any productive for our kids and families.</p> <p>Link to the video: <a href="https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4">https://m.youtube.com/watch?feature=share&amp;v=dB1COF8JUq4</a></p> <p>Yours sincerely, Salman Memon, Larkana, Sindh Pakistan , email</p>	ARY Digital

375	113893	<p>Dear PEMRA, I want to launch a complaint against the program "Aisay Nahi Chalega" aired on 14th September 2020 as the anchor of the program and guest was provoking people of Pakistan by saying vulgar and using abusive language against women. Secondly, the picture used by this program is an open threat to the lady who is even not taking the poster inscribed of the slogan "Mera Jism Mayri Marzi", which said by the Anchor Fiza Akber Khan. And continuously Khalil Ur Rahman was using an abusive word which was not stopped by the anchor. I think that this was a violation of women's constitutional rights and against the Code 3(e), (f), (h), 4(c), 4(10), 13, 19, 23, and 24 of the Electronic Media (Programs and Advertisements) Code of Conduct, 2015. It's a kind request to look into the matter seriously and take necessary action against the program and anchorperson by using the wrong picture with the wrong slogan. 377	113898	<p>I am writing here to complain against a very popular TV channel-ARY, it's morning show Good Morning Pakistan and the notorious host-Nida Yasir. Considering past behavior and content of the show and in the light of the current event, where she being the Producer as well as the host of her show invited a child rape victim's family posing to be sympathizing with them superficially but the world saw how in actual she humiliated the family. She ridiculed them by asking most unnecessary questions and elaborating on the traumatized event. In a world of intellect, this is considered a very low stunt to gain TRP's. When the people reacted on social media against her she came out to apologize and told more lies to save herself and her channel from the due wrath. But this time audience has become intelligent enough for not to fall prey to her acting skills and lies. Its high time PEMRA take notice of this host and ban her from appearing on national Television forever. She has been extremely irresponsible with her show, its content and her verbal comments. The content of the show does no good to anybody instead is spreading nonsense low grade material in the name of entertainment. Her show is what tik tok to the world. Nida Yasir is not at all a good representation of Pakistan whereas her appearing on national Television gives a negative image of Pakistan to the world wherever her show is being broadcast. The people who appear on TV have to act responsibly as they are also representing a country and if a person is not trained enough to act in a responsible manner, then the time has come to teach them that not everything is about TRP. She has made fun of humanity and a sensitive issue such as rapae and used it as a tool to gain attention. This has hurt feelings not just of the victim family but all those who watched it and know what level on insensitivity did she commit. Please authorities it's the right time to take severe action towards Nida Yasir, her show, the content of the show and the channel owners. Please make this an example. We have trust in PEMRA and thus ask you to take notice. Thanks, A responsible Pakistani</p> <p>. email</p>	ARY Digital
