She is incredibly insensitive when it comes to topics like child rape and abuse! 359	113865	<p>Dear Sir, Ma'am,</p> <p>I hope this finds you well. I am writing to report the show Good Morning Pakistan hosted by Nida Yasir on ARY digital. This show has consistently degrading and insensitive content. However, an episode that aired last week and was posted on Youtube on September 9th, 2020, featured the interview of rape victim Marwahi's parents. The episode has no trigger warnings, the parents are told to recall the entire incident (and that is done), the questions are extremely insensitive and grotesque and the entire episode is featured as if it's a cheap horror film (please check the music, nida yasir's fake crying, the makeup laden host and the gaudy set up). There is no sensitivity or even humanity for such a serious incident.</p> <p>It is important the media highlights injustices and acts as a watchdog. However, this is just cheap tactics to use a grave issue for ratings. As a member of the audience and citizen of Pakistan, I request you to ban this show and (at the very least) strictly reinforce sensitive journalism and media practices by media personalities. If this show were to air again, ARY digital must hire a new host and ensure better practices. PLEASE take swift action on this. Thank you.</p> <p>Here is the YouTube link to the episode: https://www.youtube.com/watch?v=dB1COF8JUq4</p> <p>Best Regards, Syeda Haleema Hasan Karachi, Pakistan .email</p>	ARY Digital

The drama is unethical and against our Islamic values. The drama is spreading negativity by airing such scenes, story and dialogues that have negative effects on our youth children. Especially, children and youngs are more vulnerable because they are immature. This drama is taking our youth to wrong by airing affairs between many people which is totally against Islam. And by airing such scenes as a woman with her girl alone in house of an unknown, rapes will increase. Alhamdulillah Pakistan is an Islamic country , so you should take that drama down immediately.</p> <p>Regards, Ahmad .email</p>	ARY Digital

368	113885	<p>Dear honorable Incharge complaint cell</p> <p>It is stated with great grief that in a TV program a couple was called on whose child was raped/abused. The TV anchor (further info attached) asked the couple so awkward questions related to their child's rape attempt that they were made so embarrassed. The anchor knowingly hurt their feelings just for publicity/TRPs. It's a humble request to kindly take strict action and set the TV program and the anchor an example so that never again this may happen and the feelings of these already dead people may never be hurt.</p> <p>Your faithfully, Mian Bilal Inayat Assistant sub Inspector خیبر پختونخواہ پولیس , email</p>	ARY Digital
369	113887	<p>Dear Chairman and to whom it may concern,</p> <p>I'm writing this complaint regarding the "Good Morning Pakistan" show hosted by Mrs. Nida Yasir.</p> <p>Recently, the host invited the very humble and devastated parents of 5 year old Marwah, a rape and murder victim. This show has absolutely no ethical values and continues to get away with unethical topic discussions such like the one mentioned in this email. This has crossed the boundaries of humanity. She has absolutely humiliated the parents and claimed she was doing them a favor for giving them media time. This is not the case.</p> <p>I'm a concerned Pakistani and it highly worries me when my country is allowing insensitive shows and topics to be discussed in the public format. I believe only accredited media channels such as news anchors can talk about such a topic and still maintain level of respect and sensitivity. A morning casual Talk show host like Mrs. Nida Yasir is not accredited to talk on such a topic and also should be ashamed of herself to ask absurd insensitive questions to parents who have lost a child to rape and murder. The Questions she asked included, the conditions how they found their 5 year old daughter or what she was wearing at the time post-incident.</p> <p>I request your agency to look into this show and it's credibility. There are several other episodes from this particular mornings show that stand against the Islamic Republic Of Pakistan's values and should be thoroughly investigated.</p> <p>I humbly demand action and look forward to how your agency will act. I thank you for your time.</p> <p>Best regards, Pakiza Chatha A concerned Pakistani.= , email</p>	ARY Digital

371	113889	<p>Dear PEMRA Officials,</p> <p>Nida Yasir recently invited the parents of 5-year-old Marwah to her "Good morning pakistan" show by ARY digital and she probed them at length about the gruesome murder of their child.</p> <p>She asked the traumatized parents the sordid details of how their child disappeared and what state she was found in. 375	113893	<p>Dear PEMRA, I want to launch a complaint against the program "Aisay Nahi Chalega" aired on 14th September 2020 as the anchor of the program and guest was provoking people of Pakistan by saying vulgar and using abusive language against women. Secondly, the picture used by this program is an open threat to the lady who is even not taking the poster inscribed of the slogan "Mera Jism Mayri Marzi", which said by the Anchor Fiza Akber Khan. And continuously Khalil Ur Rahman was using an abusive word which was not stopped by the anchor. I think that this was a violation of women's constitutional rights and against the Code 3(e), (f), (h), 4(c), 4(10), 13, 19, 23, and 24 of the Electronic Media (Programs and Advertisements) Code of Conduct, 2015. It's a kind request to look into the matter seriously and take necessary action against the program and anchorperson by using the wrong picture with the wrong slogan. 377	113898	<p>I am writing here to complain against a very popular TV channel-ARY, it's morning show Good Morning Pakistan and the notorious host-Nida Yasir. Considering past behavior and content of the show and in the light of the current event, where she being the Producer as well as the host of her show invited a child rape victim's family posing to be sympathizing with them superficially but the world saw how in actual she humiliated the family. She ridiculed them by asking most unnecessary questions and elaborating on the traumatized event. In a world of intellect, this is considered a very low stunt to gain TRP's. When the people reacted on social media against her she came out to apologize and told more lies to save herself and her channel from the due wrath. But this time audience has become intelligent enough for not to fall prey to her acting skills and lies. Its high time PEMRA take notice of this host and ban her from appearing on national Television forever. She has been extremely irresponsible with her show, its content and her verbal comments. The content of the show does no good to anybody instead is spreading nonsense low grade material in the name of entertainment. Her show is what tik tok to the world. Nida Yasir is not at all a good representation of Pakistan whereas her appearing on national Television gives a negative image of Pakistan to the world wherever her show is being broadcast. The people who appear on TV have to act responsibly as they are also representing a country and if a person is not trained enough to act in a responsible manner, then the time has come to teach them that not everything is about TRP. She has made fun of humanity and a sensitive issue such as rapae and used it as a tool to gain attention. This has hurt feelings not just of the victim family but all those who watched it and know what level on insensitivity did she commit. Please authorities it's the right time to take severe action towards Nida Yasir, her show, the content of the show and the channel owners. Please make this an example. We have trust in PEMRA and thus ask you to take notice. Thanks, A responsible Pakistani .email</p>	ARY Digital

395	113408	Dear Sir, I am advocate by profession and respectable citizen of islamic republic of Pakistan. On 30.8.2020 one Channel 24 HD was broadcasting in their media one of the Matami Jalooos in their channel in which a person was reciting supplication in arabic. While reciting the supplication, a person straightly curses Hazrat Abu Sufyan Raziallah anhu and Hazrat Ameer Muawiah Razialla anhu and both are the beloved companions of our beloved Prophet Sallallahu alaihi wassalam. Being a muslim i am being hurt by the statements of the person whose supplication was broadcasted by Channel 24. The channel was very negligent and irresponsible for broadcasting such material which can create sunni and shia riots in future. Therefore, it would be in the best interest of the integrity of Pakistan to revoke the license of Channel 24 under Secfcon 30 of PEMRA Ordinance, 2002. For evidence i am also attaching video proof.
